Junior creative strategist with hands-on experience turning audience insight and cultural research into original concepts, hooks, and creator-facing briefs across TikTok, Instagram, and other platforms, for animation, entertainment, fashion, and live-event brands in the US, UK, and Nigeria. Comfortable moving at pace across multiple briefs, adapting brand voice for different markets and audiences, and presenting creative work directly to stakeholders. UK citizen with hands-on experience across US and UK teams.

EXPERIENCE

Editorial Director & Creative Director — FAST@UCLA

Oct 2024 – June 2026 | Los Angeles, CA

- Developed original concepts and social-first angles for a large student-led fashion organization, translating strategy into creative briefs across print, digital, and live events.
- Briefed and directed photographers, designers, writers, and media contributors, giving clear concept, script, and visual direction on the organization's annual fashion show.
- Presented creative concepts directly to brand partners including Nike, Icona Club, and Demoniac, incorporating feedback at pace across multiple concurrent briefs.
- Ran ideation sessions and creative workshops, converting audience insight into fresh angles and hooks for editorial, digital, and partnership-driven content.

Creative Director — Live Nation

Mar 2025 – June 2025 | NYC / Hybrid

- Developed culturally relevant creative concepts for Mutha Festival in Brooklyn, adapting one campaign's voice and content across digital and live formats for distinct audiences.
- Wrote and briefed visual direction for motion graphics and video content, managing feedback and revisions to deliver work under tight turnarounds.
- Worked at pace across concurrent live and digital briefs in a fast-moving production environment.

Marketing Coordinator — Kugali Media

Sept 2024 – June 2025 | UK / Hybrid

- Contributed to creative concept and pitch development for a global animation studio, including direct work on Disney's *Iwájú*, translating research into producer-facing recommendations.
- Researched audiences, competitors, and cultural trends across 50+ scripts and comics weekly, informing original concept work grounded in market insight.
- Worked cross-functionally with a UK-based team on projects reaching international entertainment markets, including support at the Emmys and NAACP Image Awards.

Marketing Coordinator — UCLA Student Affairs

June 2023 – Sept 2025 | Los Angeles, CA

- Created social-first content and campaign concepts across Instagram, TikTok, Facebook, and X, translating institutional briefs into platform-native creative reaching an audience of 2M+.
- Wrote captions and selected photography, graphics, and video assets to strengthen audience engagement across major university events.

Marketing Coordinator — Refine LA

Sept 2023 – June 2025 | Los Angeles, CA
